SATURDAY

DECEMBER 17, 1966

MEMORIAL AUDITORIUM

Welcome

The year 1966 has been a great one for the Thoroughbred Chorus. We have had the pleasure of singing for people such as yourselves throughout most of Indiana and Kentucky. We have had the privilege of winning the Cardinal District Championship and the S.P.E.B.S.Q.S.A. International Championship. These pleasures and privileges have given us a wonderful feeling of accomplishment. Still there is nothing that thrills the Thoroughbred Chorus more than producing and presenting our annual show. For we realize that you — our audience tonight, are the most avid, and loyal supporters any group could hope for. To you we extend our welcome and most sincere thanks.

"In Memorium"

Our show tonight is dedicated to the memory of Lilly Bell Bolton, one of the dearest friends our Community has known.

Tender devotion to others was the hallmark of her life. A soft voice, a kind word, a helping hand, and a gentle nudge were the tools she so skillfully applied to re-mold the lives of countless youngsters.

Barbershopping shared in this outflow of affection. She was known and loved from the Chapter, to the District, to the International level. The Thoroughbred Chorus will forever cherish the knowledge that Lilly Bell Bolton was "One of Us".

INTERNATIONAL GREETINGS

One of the greatest thrills in my quarter-century of being a member of the Society was the performance given by the Louisville Thoroughbred Chorus in Chicago, Illinois at our International Convention in July, 1966. My one regret is that every member of our Society, or even every member of the North American Continent was not able to hear this tremendous performance, and any words that I might express could not begin to explain the feeling of exhilaration felt by the 5,000 people who were privileged to hear and see this performance.

I know that every member in your audience tonight will be thrilled by this rendition of songs from the Al Jolson era.

On behalf of our entire Society please accept and extend to every member of the Louisville Thoroughbreds our best wishes in your effort to keep America singing. Be assured that we are all proud to have you as champions.

Hummm-bly,

THE RENEGADES

It is a great privilege to have the Renegades on our show this evening. They appeared on our 1963 show and made such an audience impact that there was no other course than to bring this popular foursome back to Louisville.

They are one of the Society's most sought after quartets having achieved the highest competitive honor, that of International Quartet Champions in 1965 after winning medalists spots in 1963 and 1964.

They have entertained all over the United States as well as our troops outside our borders. We here in Louisville feel as though we are kin to the Renegades as the baritone, Jim Laley is a member of our own Cardinal District. The other members making up the quartet are: Warren Haeger, Tenor; Tom Felgen, Bass and Jim Williams, Lead. We know you will enjoy our featured quartet as they sing barber-shop the Renegade style.

WE SING THAT THEY SHALL SPEAK

The Institute of Logopedics
International Service Project of
The Society for the Preservation and Encouragement
of
Barber Shop Quartet Singing in America, Inc.

Barbershop Harmony has a new ring these days — one with a deep and joyous purpose to it. For Barbershoppers are willingly lending heart and voice that silent children throughout the world may be given speech. S.P.E.B.S.Q.S.A. is proud indeed of its International Service Project, the Institute of Logopedics in Wichita, Kansas.

In every community there are men who love to use their God-given talents to sing. In every community, too, there are silent children who cannot express even the simplest song or thought imprisoned in their hearts. They look to the Barbershoppers for escape from their lonely prisons of silence. We are humbly grateful that God has granted us the privilege and talent to sing — **that they shall speak.**

Communication, as every Barbershopper knows, is mankind's most vital tool. As a pioneer in the field, the Institute has brought speech to more than 30,000 persons throughout the world; and has become the largest residential habilitative center. Today more than 3 children per day are restored to their communities to take their rightful places as speaking members of society.

But countless thousands still plead mutely for our help . . . your help. We cannot — nor do we wish to — ignore their unspoken appeals.

Without speech a human's world is dark and his potential unknown.

No one ever dies from a speech disorder. But, for millions existing in silence, it can be a living death.

To meet the needs of the speechless, Dr. Martin F. Palmer, Founder of the Institute, developed an integrated three-fold program consisting of the finest possible clinical services for all communicative problems; expert professional education for logopedists; and an excellent and on-going research organization.

S.P.E.B.S.Q.S.A.'s Service Project, the Institute of Logopedics, overlooks no facet of a child's development in his quest for communication. Our pride in our project, this great facility for the speechless, knows no bounds, and our gratitude at having a part in its future is inspiring.

As we sing, we hear in our hearts a chorus of voices once silent who are joining us in song . . . they are the 30,000 who found speech at the Institute of Logopedics which we proudly claim as our own.

But we are mindful also of the millions who silently look to us — and to YOU — for their birthright — **Speech.**

WE SING THAT THEY TOO SHALL SPEAK!!

In the 1965 Louisville S.P.E.B.S.Q.S.A. Annual Show Program, one would find these words as part of a descriptive resume of the Thoroughbreds, "after the show tonight the chorus will start preparation for their goal of being the second chorus in the Society's history to win the International chorus championship for the second time."

Ladies and Gentlemen we are humble and proud as we report, "mission accomplished!" Yes, the Thoroughbred Chorus performs before you tonight as the 1966 S.P.E.B.S.Q.S.A. International Chorus Champions second

With this tremendous success there are those who would think that the ultimate, however, we would rather feel that we have reached but only another plateau, that our one real purpose and desire can only be paramount when we have shared our hobby, our enjoyment with others. So this night we have resolved to entertain, to effect a performance in true championship style that will bring, we hope, the very best in entertainment and happiness to the wonderful people, to you, in our audience this evening.

FROM A WOMAN'S POINT OF VIEW

Barbershopping is an unselfish hobby since the singing talent is used to provide enjoyment for other people — enjoyment such as you will witness this evening. Best of all, the whole family can share in this hobby since wives and children are included in many outings and activities each year.

You might be interested in knowing some of the occupations represented within this chorus. There are doctors, teachers, salesmen, insurance agents, building contractors, a barber, a banker, and even the executive assistant to Mayor Schmied to name but a few.

So, ladies, if you enjoy the harmony you hear tonight and your husband sounds pretty great in the shower, why not urge him to attend a Thoroughbred meeting? The ability to read music helps but is not absolutely necessary; the only requirements for membership are that the applicant be male and able to carry a tune. Remember, a bar of music beats a bar stool — right?

THE FOUR DIMENSIONS

This quartet is made up of father, Dean Sheperd who sings lead and his two sons, Rod singing bass and Andy the tenor along with another barbershopper Larry Knott who fills the baritone slot and who just joined the quartet a short time ago.

The quartet was organized in 1963 and since no two members were the same size they had no trouble deciding on the name, "The Four Dimensions."

This foursome has done well in competition, with high finishes in District and International Prelim Contests. We are sure that you will enjoy their contribution to our show this evening.

 - * The Thoroughbreds have made several records. These are available to anyone.
 - * If you would like to become a Thoroughbred, we invite you to visit us any Monday evening, 8:00 at the V.F.W. Hall on Sherrin Ave., in St. Matthews.
 - * The SPEBSQSA, Inc. of which the Thoroughbreds are a part, has adopted the Institute of Logopedics as a project whereby they can help handicapped children, primarily those with speech defects. THANKS TO EVERYONE

To those who have helped in any way to make our show a success we express our gratitude and sincere appreciation. Our special thanks to the advertisers and to those who have found their way to the presentation of You Ain't Heard Nothin' Yet!

Without the help of such fine Barbershop enthusiasts our printed program and production would not have been possible. Thanks again to everyone and we hope that you enjoy the performance this evening.
